This school community provides a chaplaincy program endorsed by the school's Parents and Citizens' Association and available on a voluntary basis to all students. The chaplain is involved in a range of activities which happen at this school which are free of religious, spiritual and/or ethical content. These activities, which may include Lunchtime Activities and Leadership Training Programs are available to all students on a voluntary basis unless a parent or guardian requests in writing that this is not to occur for their child/ren.

Please tick one of the boxes below:

- I give my consent for my child/ren to participate in these activities.
- I do not give my consent for my child/ren to participate in these activities.

ALSO Chaplains may be involved in activities with religious, spiritual and/or ethical content and additional consent is sought from parent/guardians for these specific activities.

Prior to commencement of any additional activities with religious, spiritual and/or ethical content in the school, parents/guardians will be advised through the school newsletter.

These activities will be available to students on a voluntary basis if a parent or guardian has given consent in writing.

At this early stage Andy is still building relationships with the students and school community. He is identifying our needs and interests and how he can best meet them and also apply his particular skills and expertise. Specific programs will evolve over time. The most likely activities will include Andy having one-to-one meetings with students who display a need for some individual emotional or social support, and inviting speakers, entertainers and performers to visit Glenview eg. Christian Bands.

Please tick one of the boxes below:
